Old Guildfordian of the Year and Speaker Professor George Yeoh (Ha 61-64)

With a life dedicated to the battle against cancer, George is the new President of Cancer Council Western Australia. He is the Associate Dean of Research in the University of Western Australia Faculty of Medicine, Dentistry and Health Sciences, as well as a Professor of Biochemistry and Molecular Biology. The extraordinary work of the Yeoh lab has seen it build an international reputation as the first to demonstrate the presence of liver progenitor cells in human liver diseases. His extraordinary journey includes being awarded the CJ Martin Overseas Research Fellowship, under the banner of the National Health and Medical Research Council, and studying at the University of Pennsylvania USA and the Beatson Institute for Cancer Research, Scotland. George has an enduring passion for tennis and he has been involved with the Hopman Cup for 21 years, filling the role of Chair of Match Control for the last 18 years. Having held positions such as Captain and President at Corinthian Park Tennis Club, in 2006 George was elevated to Life Member of the club for his service.
